

# Condo Submetering System

## Senseware Helps Property Managers and Condo Association Representatives Optimize their Fees and Services

### REDUCE CONDO FEES

Through Fair Share utility calculations and billing

### INTRODUCE FAIR SHARE UTILITY BILLING

Save 10-15% in utility bills through real-time submetering

### KEEP OWNERS HAPPY

Show owners that you follow owner friendly utility billing practices

## BENEFITS

### Submetered Units

- Compatible with most utility meters - water, gas, electric
- Reduce manual monthly meter reading
- Ensure billing data accuracy
- Automate individual unit calculations With transparent, accessible real-time data, owners are aware of individual consumption
- Scalable to any size site

### Unsubmetered Units

- Non intrusive way to introduce utility submetering
- Ability to report on a fair share utility billing model
- Wireless based system
- Real-time alerts for spikes in utility usage
- Seamless integration with existing building systems

## USED BY LEADING ORGANIZATIONS
