5 Reasons why you will love our DBA Insurance Coverage.

45+ years of Experience.

We are the largest foreign government insurance provider, and we have been working with prime and sub-government contractors companies since 1970. These strong relationships extinguish us have allowed us to design competitive insurance solutions for our clients by leveraging our relationships.

Dedicated Management Team.

Every client is assigned an in-house Account Executive who understands DBA insurance and has international expertise. Our award-winning U.S. based team is happy to assist you with all your needs and questions, file claims promptly, and negotiate with carriers for competitive rates and cost-effective coverages.

Strong Carrier Relationships.

There are only a few carriers that specialize in DBA insurance, and we are power partners with all of them. These strong relationships help us provide competitive pricing and negotiate better coverages and top-tier benefits for you and your employees working abroad.

U.S. based businesses that are awarded government contracts are lawfully required to have DBA Insurance for their employees working overseas, a special type of Workers' Compensation Insurance. **BASE**★ protects your employees with top-tier benefits and cost-effective coverages that meet your contractual requirements.

DBA Compliance Experts.

Failure to obtain DBA insurance can lead to costly fines, loss of contracts, and expensive legal fees; we help you avoid all that. We help you understand what DBA is, whether you need it, and we make sure you are in compliance with federal DBA and international regulations.

In the heart of Washington D.C.

We are based in Tysons Corner, the corporate headquarters of many government contractors. Our proximity to the nation's capital gives us exposure to federal operations and continually enhances our government contracting expertise, allowing us to properly insure both domestic and multinational contractors.

Our DBA insurance coverage protects you and your employees wherever your contract takes you.
